

Flower Fridges

**Sell Fresh Flowers - no matter what the weather.
A Florist rated commercial refrigerator allows you to
present your flowers to your customers in perfect
condition.**

**A Flower Fridge will extend the shelf life to your stock.
This extended stock shelf life means money in your
pocket.**

**J & D Imports can arrange full finance on your flower
fridge at minimal outlay.**

**Don't end up with flowers that are almost Perfect,
Don't shorten the life of you flower stock by storing
Flowers in a refrigerator designed for food & drink.
The shelf life of your flowers is extended due to the
Flower series cabinets designed with perfectly balanced
temperature and internal humidity.**
